

DURANT AND RYAN
STAGE "COMEBACK"

Former Plungers Who Met Mis-
fortunes Are Now Partners in
New Motor Venture.

Allan A. Ryan, who was expelled from the Stock Exchange for his corner in Stutz, is trying to "come back." He is paying off his loans to the syndicate of bankers who "trust" his holdings when his smash came and is credited with having made considerable profits within the last six months.

With C. W. Durant, formerly President of the General Motors Company, Ryan has purchased the Muncie, Ind., plant of the General Motors Company and will immediately begin the manufacture of automobiles of the six-cylinder type to sell for from \$1,800 to \$2,000. This car will be in direct competition with the Buick automobile which was developed by Mr. Durant when he was the President of the General Motors Company.

Ryan and Durant are the absolute owners of the 300,000 shares of the concern which will be known as the Durant Corporation of Indiana, Bankers in the Wall Street district familiar with the Ryan-Durant combination believe it is the forerunner of several mergers, including the Stutz Company.

Direct from the well-known
WHOLESALE clothing firm of
Finkelstein & Maisel

whose disclosures of certain
retail clothing sales interests
have opened the eyes of the
public.

Here is an actual photograph, unretouched, of a Finkelstein & Maisel overcoat taken from stock. You can buy this overcoat, EXACTLY as illustrated, at actual WHOLESALE price.

The profit that ordinarily would go to the retailer goes back to your own pocket, or with this saving you can purchase a suit or another overcoat.

FINKELSTEIN & MAISEL are really clothing manufacturers, offering high class 100% pure wool suits and coats at a saving of 30% to 60%—genuine wholesale prices!

At least, we ask consideration of this fair proposition, particularly if you are fastidious as to style, character of fabrics and used to paying high prices for your suits or overcoats.

If, for any reason whatever, you may feel dissatisfied with any purchase, or believe you are not getting absolutely the greatest values in all New York, simply ask for your money and we'll return it instantly, in full, without a word.

And remember, our new and very sensational prices are \$18.75, \$24.50, \$29.50 and \$33, less a 7% discount, for the handsome line of Fall and Winter suits, top-coats and overcoats—all 100% pure wool—that we have yet manufactured—values, in fact, that friends tell us are nowhere to be had for at least double our prices.

If you are extra hard to fit we will cut your suit or overcoat to measure at slight extra cost.
